**Additional
Membership
Benefits
for
VIP**

The Chamber staff and Board of Directors have developed a plan to increase our VIP Members return on investment.

How? By offering VIP Members additional membership benefits!

How Does It Work?

- Each additional benefit is assigned a "point value."
- Your VIP Membership automatically entitles you to a certain number of "points" to "spend" each year based upon your VIP Level.
- Simply call the Chamber office and request one of the benefits. We'll keep track of your "points" and do the work for you!

Examples of the benefits you currently receive as a Chamber Member:

- A free yearly copy of each Chamber publication (Community Directory, Manufacturing/Major Employers Directory, and Membership Directory)
- Use of the Chamber conference room (Four times per year)
- One set of Chamber mailing labels
- Once a year insert in the Chamber's monthly mailing.

The New, Additional VIP Membership Benefits

- Additional sets of Chamber mailing labels (150 points) (Regular Chamber members receive only one per year.)
- Community service clubs or manufacturing labels (150 points) (Unavailable to regular Chamber members.)
- Additional conference room usage (50 points per use) (A \$25 value)
- After Business, Ours yearly passes (100 points each) (Unavailable to regular Chamber members.)
- Car Show/Swap Meet 2-day passes (25 points each) (An \$8 value)
- Chamber member discount listings in "Connection" newsletter (250 points per year) (Unavailable to regular Chamber members)
- "Stuffer/Insert" in Chamber monthly mailing (250 points each) (A \$100 value)
